5 YEAR WARRANTY

SORRENTO Basic LED Panel Lights

SORRENTO Basic - the ultraslim, discreet LED lighting solution

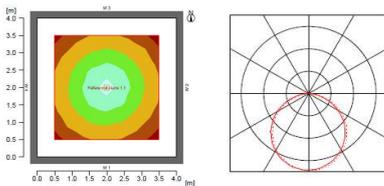

Create a pleasant working environment with Sorrento Basic LED downlights, ideal for all interior spaces, including offices, shops, gyms and hotels. The ultra-slim design will fit in the tightest spaces and provide an even glow, offering excellent lighting levels with minimal glare. These highly efficient lighting units are available in warm, neutral and cool white colour temperatures – making them ideally suited to most interior applications.

Good to know: the Sorrento Basic LED panel downlight is highly efficient, reducing energy costs and helping you to achieve your carbon reduction targets and comes with a **5 year guarantee**.

Benefit from...

Low power consumption - **Reduced energy bills, reduced CO₂**
 Long life, reduced maintenance - **Lower running costs**
 Low heat - **Reduced aircon maintenance**
 No flicker - **Improved working area comfort**
