Replacement lamps for instant energy saving

These energy efficient LED GU10/MR16 replacement lamps have a particularly high lumen output so are ideal to replace GU10 and MR16 halogen lamps.

They are available in Pure or Warm White and should fit most luminaires.

Due to their long life they significantly help reduce maintenance costs.

Good to know - These lamps have a wide beam angle so are well suited to area lighting.

Benefit from...

Low power consumption - **Reduced energy bills, reduced CO2**
 Instant start - **Full brightness at turn on - improved safety**
 Long life, reduced maintenance - **Lower running costs**
