

# Emergency Lighting

**3 YEAR WARRANTY\***

## Compact LED emergency downlight + Self Test

### Compact LED Downlight - Discreet emergency lighting

These compact LED emergency downlights provide discreet, unintrusive emergency lighting to any application, from corridors to offices, from toilet areas to halls.

Choose from standard or Self Test\*\*.

The self test version eliminates the need for a key switch making them a cost effective solution for new installs

Did you know, the use of a compact emergency downlight, rather than a standard fitting with integral emergency, can be lower cost?

**Good to know** – With no warm up time these lights illuminate at full brightness even in cold conditions making them safer

### Benefit from...

Low power consumption - **Reduced energy bills, reduced CO<sub>2</sub>**  
Long life, reduced maintenance - **Lower running costs**  
Instant start, full brightness at turn-on in all conditions - **safer in cold areas**

### Ordering

**EMKITW-3W** Standard emergency
