

Emergency Lighting

3 YEAR WARRANTY*

4W LED Bulkhead + Self Test

LED Emergency bulkhead

These LED bulkheads are perfect replacements for traditional fluorescent emergency bulkheads.

Choose from standard or Self Test**.

The self test version eliminates the need for a key switch making them a cost effective solution for new installs

These bulkheads are supplied with a self adhesive legend pack and are suitable for maintained and non maintained use

Good to know – With no warm up time these lights illuminate at full brightness even in cold conditions making them safer

Benefit from...

Low power consumption - **Reduced energy bills, reduced CO₂**
Long life, reduced maintenance - **Lower running costs**
Instant start, full brightness at turn-on in all conditions - **safer in cold areas**

Ordering

ELEMLED3 Standard emergency
ELEMLED5-STE Self test emergency
