## Batten CCT LED

### 5 YEAR WARRANTY

#### Batten LED fittings – cost effective batten replacement

Our new range of LED batten fittings is purpose built to replace most sizes of fluorescent batten fitting, both single and twin. They are switchable between warm, neutral and cool white to provide maximum flexibility.

Typically they are used in schools and offices, corridors and stairwells

Suitable for interior use only.

The fittings comprise a white painted steel body and an opal diffuser. Each unit can be surface-mounted or suspended, and has knockout holes at each end for wiring.

**Good to know:** The Earlsmann LED batten fittings are high efficacy to provide maximum energy saving

#### Benefit from...

Low power consumption - **Reduced energy bills, reduced CO<sub>2</sub>**  
 Long life, reduced maintenance - **Lower running costs**  
 Instant start, full brightness at turn-on in all conditions - **Improved safety**

#### Specifications
