SLADE Vandal Resistant

SLADE LED vandal resistant bulkhead for tough exterior lighting

Protect your property with the SLADE range of vandal resistant LED bulkhead lights. Made from diecast aluminium with polycarbonate diffuser, these stylish and robust units are supplied complete with an LED light source up to 3000 lumens.

The SLADE starts instantly at full brightness, even in cold conditions. It can also be fitted with microwave motion sensors, providing additional energy savings and safety benefits.

The LED luminaires used in these bulkheads deliver high efficiency and a long lifespan helping to reduce maintenance costs and energy use and supporting your carbon reduction targets.

Good to know: With anti-tamper screws fitted as standard, the SLADE will help deter vandals from targeting your property.

Benefit from...

Low power consumption - **Reduced energy bills, reduced CO₂**
 Long life, reduced maintenance - **Lower running costs**
 Instant start, full brightness at turn-on - **Improved safety**

Specifications

Efficacy	up to 110lm/W
Colour Rendering Index	>80Ra
Voltage	220-240Vac 50/60Hz
Markings	CE, ROHS
LED life	>50000hrs L70
Colour Temp	NW = 4000K
Power factor	>0.95
Weight	<3kg
Sealing	IP65
Shock	IK10
Ambient temp.	-20°C to +40°C
Screws	Anti tamper

Options

Emergency operation			
Microwave sensor			
Housing style	Round	Open	318 x 97
		Eyelid	360 x 176
Body Colour		Black or Grey	
LED		5000K	
Photocell			

Output

Model (LED, W)	Total (W)	Output (lm)
15	14	1500 (NW)
20	22	2300
25	28	3050

Ordering
