Interior Lighting
Wycombe LED Downlight

5 YEAR WARRANTY

Wycombe - downlights for commercial use

The Wycombe LED downlight range from Earlsmann is designed to replace PL type downlights and to complement modern interiors including offices and shops, schools, hotels and leisure centres. This versatile range of LED down lights comes in a choice of power ratings and colour temperatures.
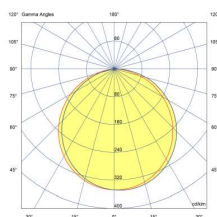

Options include dimming and emergency operation.

All Wycombe LED downlights are supplied complete with remote driver.

Good to know: The CCT adjustable variant provides maximum flexibility for the installer

Polar diagram

Benefit from...

Low power consumption - **Reduced energy bills, reduced CO_2**
Instant start, full brightness at turn on **- Improved safety**
Long life - Reduced maintenance - **Lower running costs**
